| | | Total Costs (Separate funding) | \$1,580 |

OPERATIONS AND MAINTENANCE

Fishing access areas were maintained in all counties in the Southeast Region through cooperative agreements with each of the seven counties. A separate maintenance agreement is in force with five of the counties. All sites were inspected in the fall and in the spring (See Motorboat Access). On some sites which provide fishing access only, most maintenance is handled directly by Department personnel or volunteers. Four sites in the region have been adopted by groups through the Adopt-A-Wetland program. Approximately 100 hours were expended controlling

weeds and attempting to arrange a cooperative agreement with neighbors on Mike's Place on the upper Portneuf.
